## Rain Was No Match for Annual St. Patrick’s Parade

A little rain could not stop the “Parade that Shares and Cares.” Grand Marshal Greg Schaefer led the 27th Rockville Centre St. Patrick’s Parade that had organizations and groups from across Nassau County and New York City march on behalf of three worthy charities; Beyond the Badge, the Limb Kind Foundation, and the Crocus Cancer Support Centre. Since the parade’s inception in 1997, over \$1.5 million has been distributed to 75 individual charities. Special thank you to Joe Puk for sharing some photos.

## RVC Fireworks Celebration

The Annual Fireworks Celebration and Concert is set to light up the sky this July. The iconic Grucci fireworks show will take place on Saturday, July 13th from 7:00 to 9:30 p.m. at Pette and Barasch Fields.

## Look What's Happening at the Sandel Center

The annual FOSSI fundraiser was an extraordinary evening filled with nostalgia, excitement, and generosity. The ambiance was set with timeless musical sounds from Frank Sinatra, Dean Martin and Elvis Presley, transporting attendees to an era of elegance and charm. As guests mingled and enjoyed the festivities, the air was filled with laughter and the thrill of taking chances at the gambling tables of blackjack, craps and roulette. The funds raised by FOSSI will be instrumental in supporting the Sandel Center, enabling it to expand and enhance its services and programs for seniors in Rockville Centre and surrounding communities.

"We extend our heartfelt

gratitude to the community for the overwhelming support from our very generous sponsors, our gracious honorees, and everyone who joined us in making this event a resounding success," commented Sandel Senior Center Director Nancy Codispoti. "Together we are making a meaningful difference for our beloved seniors in Rockville Centre."

Members of the Sandel Center recently took an overnight trip to Woodloch Pines. The trip was an unforgettable experience filled with laughter, camaraderie, and adventure. From the moment the members of the Sandel Center arrived, the serene beauty of the surroundings enchanted them, setting the stage for a week of

unforgettable memories. The variety of activities offered catered to every interest, whether it was nature walks, boat rides, or lively evening entertainment. They gathered on decks around fire pits and shared stories. As the sun was setting on the lake, bonds were forged, and friendships deepened. Now as they reminisce about the wonderful time, they are eagerly anticipating the next destination, knowing that wherever they go, the spirit of adventure and togetherness will guide them.

Sandel membership is open to those aged 60+ who reside in Rockville Centre and the surrounding communities. To become a member, please call (516) 678-9350 or visit our page on the Village website at [www.rvcny.gov](http://www.rvcny.gov).

The Mayor's Annual Golf Outing, which supports the Rockville Centre Community Fund, will be

on Monday, September 30th. The Rockville Centre Community Fund provides assistance to residents in times of need.

This fall we also hope to see the completion of Mr. B's Playground. This has been a large-scale collaborative effort, and we can't wait to see the finished product. It will be a wonderful place for children of all abilities to come, play and explore. These are some of the wonderful Rockville Centre events that bring our community together, so please mark your calendars and join us.

It is important to recognize and remember that none of these events would be possible without the tireless hard work and dedication of all of our village employees. From our Police Department and volunteer Fire Department to our Department of Public Works crew, including sanitation and roads, as well as our Electric and Water Departments, I would like to thank them all for their continued efforts.

## Rockville Centre Celebrates 36TH Year as Tree City USA

The Village of Rockville Centre has been named a 2023 Tree City USA community by the National Arbor Day Foundation to honor its commitment to community forestry. It is the 36th consecutive year Rockville Centre has received this national recognition. This distinction is bestowed through meeting various criteria aimed at urban forestry management. One of the programs highlighted each year is the planting of new trees around the Village.

"This award validates the Village's commitment and investment towards maintaining a healthy environment and robust urban forestry program," commented Mayor Francis X. Murray. "I thank the Arbor Day Foundation for recognizing our commitment to planting more trees that enhance our streetscape and environment."

To celebrate Arbor Day and the Village's commitment to being a "Tree City," Mayor Francis X. Murray, Deputy Mayor Kathy Baxley, Trustee Emilio Grillo, Trustee Katie Conlon, and Director of Public Works Administration Gwynne Feiner joined members of the Boy Scouts for a special tree planting. Members of Troop 214, cleaned up along Mill River at Lister Park prior to planting a Canada Red Select tree.

## VILLAGE OF ROCKVILLE CENTRE STORM WATER GUIDE

Unlike waste water that goes into our sanitary sewers, storm water, and all that it is carrying, is not treated before being discharged to our surrounding water bodies. Storm Water comes from precipitation that flows across the ground or pavement when it rains or when snow and ice melt.

Storm water pollution can harm fish & other aquatic wildlife, kill native vegetation, destroy aquatic habitats, and make recreational areas unsafe and unpleasant. Nutrients carried by storm water may also cause undesirable algae and vegetative growth.

Substances carried by storm water that are considered to be pollutants are: sediment, trash, and debris, oil grease, and toxic chemicals, soap and paint products from outdoor maintenance activities. Please help protect our storm water by:

- Do not over-water. If water flows off your yard onto your driveway or sidewalk, your system is over watering.
- Do not rake or blow leaves or clippings into

the street, gutter or storm drain. Instead, dispose of waste by composting or bagging it and placing it with your household waste for pickup.

- Follow directions on pesticides and fertilizers, (measure, do not estimate amounts). Do not use if rain is predicted within 48 hours.

- Always pick up after your pet. Flush waste down the toilet or dispose of it in the trash.
- NEVER DEPOSIT PET WASTE DIRECTLY IN STORM DRAIN!
- Pool and spa water must be de-chlorinated and be free of excess acid, alkali or color.
- When draining your pool all

water should be directed to a drywell on your property.

- Take your vehicle to a commercial car wash whenever possible. If you wash your vehicle at home, choose soaps or detergents labeled non-toxic, phosphate free or biodegradable.
- Take items such as used batteries, oven cleaners, automotive fluids, painting products, TVs and computer monitors to a household

Hazardous Waste Collection Center.
