Village Celebrates Police Department Milestones with Promotion and New Hire

In a proud moment for the community, the Village of Rockville Centre has officially promoted one of its dedicated police officers to the rank of Sergeant, recognizing years of committed service and leadership. Alongside this achievement, the Village also welcomed a new police officer to the department, strengthening its ongoing commitment to public safety and community engagement. Sergeant Nicholas Bamonte and Officer Gerard Norton were sworn into their new roles at the April Board of Trustees meeting.

Bamonte was promoted to the rank of Sergeant after joining the Rockville Centre Police Department in 2015. Born and raised in Suffolk County, Bamonte is a proud graduate of Newfield High School. Following his graduation, he attended Suffolk County Community College and continued his education to earn a bachelor's degree in criminal justice, laying the foundation for what would become a distinguished career in law enforcement.

Bamonte joined the New York City Police Department in 2013, beginning his service at the 115th Precinct in Jackson Heights. Over the years, he has earned the respect of his colleagues and community for his professionalism, dedication, and tireless commitment to public safety.

“Sergeant Bamonte’s promotion is a testament to years of hard work, leadership, and a strong sense of duty,” commented Mayor Francis X. Murray. “As he begins this new chapter as a Sergeant, his fellow officers, Board of Trustees and I are confident that he will continue to lead with the same integrity and dedication that brought him this far.”

Born and raised in Massapequa, New York, Officer Norton brings with him a wealth of experience, a deep-rooted sense of duty, and a passion for service. His

journey began after graduating from Massapequa High School, when he enlisted in the United States Marine Corps, serving four years as a radio operator in North Carolina.

Following his honorable military service, Norton transitioned to law enforcement, working with the New

York City Department of Correction before joining the NYPD. His time in the city was marked by a steady rise through the ranks—first on patrol, then in traffic safety at the 112th Precinct, which covers Forest Hills and Rego Park. He later served in the elite Mounted Unit, a testament to his adaptability and leadership. Now, Officer Norton joins the Rockville Centre Police Department, bringing with him not only tactical experience but a genuine commitment to community.

“Officer Norton’s dedication to public service is exceptional, and we’re honored to have him on our team,” said Rockville Centre Police Commissioner Randy Dodd. “Officers like him remind us of the critical role police play in protecting and connecting with our community.”

“These personnel changes mark a significant step forward for the village’s law enforcement team as it continues to grow and evolve to meet the needs of residents,” added Mayor Murray.

RVC Fireworks Celebration

The Annual Fireworks Celebration and Concert is set to light up the sky this July. The iconic Grucci fireworks show will take place on Saturday, July 12th from 7:00 to 9:30 p.m. at Pette and Barasch Fields.

“Some traditions shine brighter each year and that’s why I encourage all of our residents to come out for a night of celebration and community spirit at our annual fireworks show,” commented Mayor Francis X. Murray. “Gather with friends and neighbors as the South Shore Symphony fills the air with beautiful music and the night sky comes alive.”

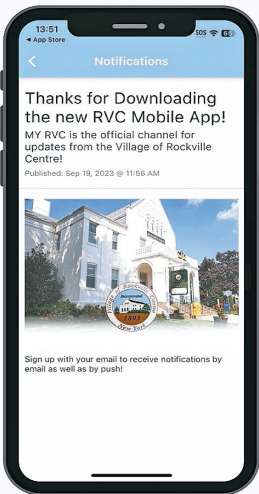

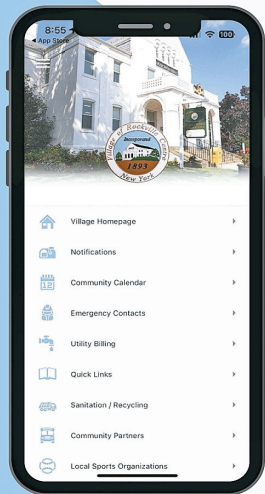

The South Shore Symphony’s is set to perform before and after the fireworks show, including music during the show that coordinates with the display. Please note, viewing will not be permitted on Lister or Tighe Field. In case of rain, the concert and fireworks will be held on Sunday, July 13th.

Rockville Centre Celebrates 37TH Year as Tree City USA

The Village of Rockville Centre has been named a 2025 Tree City USA community by the National Arbor Day Foundation to honor its commitment to community forestry. It is the 37th consecutive year Rockville Centre has received this national recognition. This distinction is bestowed through meeting various criteria aimed at urban forestry management. One of the programs highlighted each year is the planting of new trees around the Village.

“Being recognized as a Tree City is a tremendous honor for our community,” commented Mayor Francis X. Murray. “It reflects our commitment to sustainability, beautification, and a healthier environment for generations to come. Trees are not just part of our landscape, they are vital to our well-being, providing cleaner air, shade, and a stronger sense of place. This designation reminds us that by investing in our natural resources, we are investing in the future of our community.”

In honor of Arbor Day, Earth Day, and our

proud designation as a “Tree City,” Mayor Francis X. Murray, Deputy Mayor Kathy Baxley, and Director of Public Works Administration Gwynne Feiner joined forces with Wilson Girl Scout Troops 804, 819, 823, 847, 860, 861, and 869 for a special planting at the Village Green. Prior to the young scouts adding vibrant flowers to help beautify the community, Deputy Mayor Baxley introduced the planting with a thoughtful lesson on the importance of Arbor Day and trees in our Village.

Your RVC Police Department: Staying Vigilant in a Changing World

Trustee Emilio F. Grillo

Public safety continues to be a top priority for the Village Board, and I am proud to serve as the liaison to the Rockville Centre Police Department. We remain fully committed to ensuring our police force is well-staffed and equipped with the latest technology to maintain safety and order in our community.

Under the leadership of Police Commissioner Randy Dodd, a 27-year veteran of the RVC PD and a graduate of the FBI National Academy, our 58-member department exemplifies professionalism, responsiveness, and dedication. While we may not be the largest department in New York State, I believe few match the quality of service and commitment our officers demonstrate every day.

One of the greatest challenges facing our

department is managing the high volume of traffic that moves through Rockville Centre daily. With Sunrise Highway bringing approximately 80,000 vehicles and Merrick Road bringing 45,000 vehicles through our Village each day, our officers remain vigilant. While most vehicles carry commuters and shoppers into and through our business district, there are instances where ill-intentioned individuals pass through the Village. To combat these individuals, our Police Department utilizes License Plate Readers (LPRs) and other surveillance technology to enforce public safety.

Each month, our officers issue approximately 4,000 parking tickets, 500 to 700 speeding citations, and impound 30 to 40 vehicles—many of which lead to arrests for various infractions. Additionally, our officers respond to between 1,200 and 1,800 calls for service across the Village each month.

Thanks to grant funding, the Village has expanded its surveillance network, installing cameras on our footbridges over Peninsula Boulevard, at the Rockville Centre Sports Complex, the Recreation Center, and “Mr. B’s” playground. These upgrades have significantly deterred

potentially dangerous activity. Plans are already underway to install additional surveillance cameras downtown and expand the use of LPRs to further enhance safety.

As our Police Department continues to rise to the challenges of daily law enforcement, we as a community have much to be thankful for. Their work keeps our neighborhoods safe and contributes to Rockville Centre’s continued recognition as one of the safest small towns in America.

On behalf of the Mayor and the entire Village Board, I assure you that we will continue to support Commissioner Dodd and the exemplary men and women of the Rockville Centre Police Department for today, and for many years to come.

From Dance Floors to the Poconos: Sandel Members Celebrate Friendship, Fun, and Connection Across Generations and Miles

April was a month of connection, celebration, and community for members of the Sandel Senior Center, who participated in two standout events that showcased their enduring energy and enthusiasm.

The month began with a lively appearance at Rockville Centre High School for the Annual Intergenerational Conference, where Sandel members joined students for a day of music, dance, and shared experiences. For the first time, both the Intergenerational Committee and the Sandel

Committee choreographed dances to the upbeat track “APT,” leading to a spirited and spontaneous dance-off. Cheers filled the room as Sandel members were named the winners of the first-ever Intergenerational Dance-Off, demonstrating that age is no barrier to enthusiasm—or rhythm.

Musical performances by the South Side High School Jazz Band and the Chamber Singers added to the day’s celebratory tone, but it was the intergenerational camaraderie that left a lasting impression. “Events like this remind us how powerful these connections can be,” Nancy Codispoti, Director of Senior Services.

Later in the month, Sandel members traveled to Woodloch Pines in the Poconos for a midweek retreat filled with games, entertainment, and shared meals. Despite rainy spring weather, spirits remained high throughout the trip. Indoors, the group enjoyed a full schedule of activities, including bingo, trivia, pool, and live evening performances. The atmosphere was festive and social, underscored by warm conversations and plenty

of laughter.

“The weather didn’t matter—everyone was too busy enjoying each other’s company,” one member shared. Dining together, dancing, and cheering each other on through games brought the group even closer.

As the bus returned to Rockville Centre, members reflected on a month full of joy and connection. From the dance floor to the dining hall, Sandel Center members proved once again that shared experiences and community spirit are the keys to lasting memories.

Sandel membership is open to those aged 60+ who reside in Rockville Centre and the surrounding communities. To become a member, please call (516) 678-9350 or visit our page on the Village website at www.rvcny.gov.

VILLAGE OF ROCKVILLE CENTRE STORM WATER GUIDE

Unlike waste water that goes into our sanitary sewers, storm water, and all that it is carrying, is not treated before being discharged to our surrounding water bodies. Storm Water comes from precipitation that flows across the ground or pavement when it rains or when snow and ice melt.

Storm water pollution can harm fish & other aquatic wildlife, kill native vegetation, destroy aquatic habitats, and make recreational areas unsafe and unpleasant. Nutrients carried by storm water may also cause undesirable algae and vegetative growth.

Substances carried by storm water that are considered to be pollutants are: sediment, trash, and debris, oil grease, and toxic chemicals, soap and paint products from outdoor maintenance activities. Please help protect our storm water by:

- Do not over-water. If water flows off your yard onto your driveway or sidewalk, your system is over watering.
- Do not rake or blow leaves or clippings into

the street, gutter or storm drain. Instead, dispose of waste by composting or bagging it and placing it with your household waste for pickup.

- Follow directions on pesticides and fertilizers, (measure, do not estimate amounts). Do not use if rain is predicted within 48 hours.

- Always pick up after your pet. Flush waste down the toilet or dispose of it in the trash.

- NEVER DEPOSIT PET WASTE DIRECTLY IN STORM DRAIN!

- Pool and spa water must be de-chlorinated and be free of excess acid, alkali or color.

- When draining your pool all water should be directed to a drywell on your property.

- Take your vehicle to a commercial car wash whenever possible. If you wash your vehicle at home, choose soaps or detergents labeled non-toxic, phosphate free or biodegradable.

- Take items such as used batteries, oven cleaners, automotive fluids, painting products, TVs and computer monitors to a household Hazardous Waste Collection Center.
